

ID COCKPIT

The digital control centre
for your board mandates

 id Linked®
in co-operation with  navAXX

Keep track of your mandates

Manage your mandates efficiently. Consistent data collection. Transparent corporate governance.

From anywhere in the world

An online app, accessible anywhere, anytime. Achieve higher personal freedom in compliance with international security standards.

Secure and easy documentation

An opportunity to upload all relevant documents to a CSSF approved secure environment. All the mandate information you need at a glance.

Comply with regulatory recommendations

Based on the ALFI recommendations for director reports, plus more mandate relevant options.

Save time and money

Easy-to-use and intuitive interface minimizes human error for an effective time management. Produces mandate statistics and reports with 1 click - customisable in excel or word.
