

# ID SHIP

## The digital independent director match-making search platform.

powered by id Linked®

### 290+ independent directors

A heterogeneous mix of gender, age, nationality, experience and soft skills.

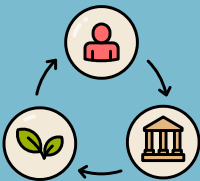

### For companies in the financial sector

Search by demographic and experience related parameters of the desired profile.

### Self-explanatory process

A quick and easy registration and search process: efficient, secure & target-oriented.

### ESG: improves corporate governance

Avoids conflicts of interests & adds diversity, know how and skill set to your board.

### Cost efficient

Registration is free of charge for independent directors, small fee for searching companies, if your service provider is not already member.
